

Active Shooter Response (Patrol)

2- Days (16 hours) Cost: \$0

Approved for CPT: Use of Force 7 hours, Officer Wellness 1 hour, Leadership 8 hours.

Eligibility

OPOTC-certified peace officers, deputies, and troopers employed full- or part-time by an Ohio law enforcement agency.

Tactical medics (TEMS) are also eligible if they are OPOTC certified as Ohio peace officers, assigned to a tactical team, and employed full—or part-time by an Ohio governmental law enforcement agency.

Description

This program equips patrol officers to respond effectively to active threat incidents with evidence-based tactics, lawful force, and de-escalation strategies. Training emphasizes stress psychology, rapid decision-making, and interagency coordination, culminating in practical, scenario-based exercises that strengthen readiness, enhance judgment, and build lifesaving capabilities under the pressures of extreme conditions.

Class Schedule

Start Time: Each day begins promptly at 8:00 AM. The course spans a minimum of 8 hours per day and is structured to ensure comprehensive coverage over multiple days.

Note: Students will receive a scheduled lunch break; however, lunch will not be provided. Please plan accordingly and bring your own food and beverages.

Medical

If you are allergic to bees, outdoor plants, or animals, please bring your epinephrine pen or other medication.

Life-threatening allergies and pre-existing injuries or conditions must be reported to the OTOA training staff on day one of training.

Lodging, Travel, and Meals

Students are responsible for their ammunition, lodging, transportation, and food.

All tactics, techniques, or technologies presented at any OTOA advanced training or annual training conference must be implemented in accordance with the United States Constitution, the Ohio Revised Code, and the policies and procedures of the student's employing law enforcement agency.
