Active Shooter Response (Tactical Teams)

? This Course is OPOTA-Approved for 2025: 3 Use of Force hrs., 1 Officer Wellness hrs., 4 Leadership hrs., 8 general hrs.

All tactics, techniques, or technologies presented at any OTOA advanced training or annual training conference must be implemented in accordance with the United States Constitution, the Ohio Revised Code, and the policies and procedures of the student's employing law enforcement agency.

ELIGIBILITY

- OPOTC-certified peace officers, deputies, and troopers assigned full or part-time to an Ohio law enforcement agency tactical team.
- Tactical medics (TEMS) are also eligible if they are OPOTC certified as Ohio peace officers, assigned to a tactical team, and employed full—or part-time by an Ohio governmental agency.

DESCRIPTION

The OTOA's Active Shooter Response for Tactical Teams 16-hour course equips tactical teams to effectively manage active threat situations, primarily focusing on saving lives. This distinctive program merges evidence-driven principles with hands-on tactics, concentrating on critical decision-making, the lawful use of force, and de-escalation strategies, all while comprehensively addressing human behavior under extreme stress.

Participants will gain insights into the psychological aspects of stress, the Constitutional Use of Force, and collaboration techniques with other officers. This will culminate in practical, reality-based scenarios that solidify the application of these skills for real-world readiness.
