

Advanced SWAT

Duration: 5 Days Cost: \$750

Approved for CPT: 24 Assignment-Based hours

Eligibility

- OPOTC-certified peace officers, deputies, and troopers employed full- or part-time by an Ohio law enforcement agency.
- Tactical medics (TEMS) are also eligible if they are OPOTC certified as Ohio peace officers, assigned to a tactical team, and employed full—or part-time by an Ohio governmental agency.

IMPORTANT: To participate in this class, it is highly recommended that students have attended and completed the OTOA Basic SWAT school (or equivalent). Questions about "equivalent"? Send an email to training@otoa.org.

Description

This course builds on the OTOA Basic SWAT class, advancing students' skills through contemporary principles and tactics to develop more proficient operators. Instruction emphasizes principles over rigid tactics, reinforcing that response protocols rooted in fundamentals lead to safer, more effective outcomes, while violations of principles result in poor tactical performance.

The OTOA does not teach one specific "Tactic." The OTOA instructors teach "Principles."

- The OTOA response protocols are built around basic principles.
- Violation of basic principles develops into poor tactics.
- The applications of fundamental principles lead to safer tactics.

Student Goals

- Develop advanced tactical decision-making under stress.
- Apply principles-based tactics to high-risk and evolving situations.
- Enhance communication and team coordination during real-world incidents.

Class Schedule

Start Time: Each day begins promptly at 8:00 AM. Training runs approximately 8 hours daily.

Lunch: Provided breaks each day, but meals are not included. Bring food and water.
