Course Description:

OTOA Basic Rifle Operator/Introduction to Close Quarters Battle (CQB) Class

This three-day course is designed to enhance your tactical skills with extensive rifle handling and close-quarters battle training. You'll gain confidence and proficiency in modern combat techniques over two live-fire range days and one interactive force-on-paper training day.

Daily Overview:

- **Day 1 & 2:** Live-Fire Drills — Master new weapon systems through hands-on practice.
- **Day 3:** Scenario-Based Training — Apply your skills in simulated environments.

Performance Objectives:

- **Master Equipment:** Understand and maximize the use of your unit's equipment.
- **Safe Weapon Handling:** Demonstrate safe practices to reduce friendly fire incidents.
- **Tactical Proficiency:** Apply advanced tactics in patrol rifle deployment, including during high-stakes operations like warrant execution and barricade resolution.
- **Live-fire validation:** Engage in drills that reinforce effective tactics in real-world scenarios.

Enhance Your Tactical Capabilities: Gain insights from experienced instructors and leave with the skills to perform under pressure. Whether you're advancing your career or refreshing your tactical knowledge, this course is designed to provide comprehensive training in a supportive environment.
