OTOA **SNIPER Low-Light Considerations Training Course** **OTOA**

OHIO ATTORNEY GENERAL
PEACE OFFICERS TRAINING ACADEMY

Approved for 6.5 - hours of Continuing Professional Training (CPT)

HOST THIS TRAINING

The OTOA does not teach one specific “Tactic.” The OTOA instructors teach “Principles.”

- The OTOA response protocols are built around basic principles.
- Violation of basic principles develops into poor tactics.
- The applications of fundamental principles lead to safer tactics.

COURSE DESCRIPTION

Sniper Low-Light Considerations is a one-day course combining field discussions with live-fire range sessions, providing hands-on experience using precision rifle systems. The live-fire segment includes advanced-level positional shooting, tripod utilization, and speed and accuracy drills,

Instruction topics encompass vital concepts such as Night Vision optics vs. Thermal optics, positional live-fire, tripod deployment, and light use. This course develops confidence in low-level light engagements and engagements utilizing tripods and night vision equipment.
