SNIPER TEAM LEADER

OHIO TACTICAL
OFFICERS ASSOCIATION

• REVOLUTIONIZING POLICE TRAINING •

Course Overview:

Police snipers play a critical role in tactical team operations, yet they are often underutilized or misunderstood. The success of a sniper program is directly influenced by the command staff responsible for its development and oversight. This two-day intensive course is designed to equip sniper team leaders, supervisors, and other law enforcement leaders with the knowledge and tools necessary to establish, train, and manage an effective and safe sniper program. Whether you're selecting personnel, designing a training regimen, or making mission-critical decisions, this course provides a comprehensive understanding of the role, function, and limitations of police snipers. Participants will gain the insight needed to create sniper programs that are efficient and aligned with the highest standards of operational safety and effectiveness.

Who Should Attend:

This course is ideal for SWAT team leaders, supervisors, law enforcement leaders, and anyone responsible for organizing, training, or deploying sniper teams.

Course Topics Include:

- The mission and role of the police sniper
- Criteria for personnel selection
- Equipment selection and requirements
- Establishing a robust training program
- Developing a Standard Operating Procedure (SOP)
- Understanding "green light" policies and deadly force considerations
- Liability protections and risk management
- Sniper tactics and mission planning
- Effective use of sniper teams in traditional and non-traditional roles
- Real-world case studies and lessons learned

Course Details:

- **Duration:** Two days (8 hours per day)
- **Format:** Classroom instruction
- **Certificate:** Participants will receive a certificate upon successful completion.

Required Materials:

- Notebook and pen
- One empty flash drive

Optional Materials:

Participants are encouraged to bring written materials related to their current sniper programs, such as SOPs, training plans, or qualification courses, for discussion and review.

Register Today to enhance your understanding and management of police sniper programs, ensuring your team is prepared for critical incidents with the best practices in training and operational planning.

MEDICAL

If you are allergic to bees, outdoor plants, or animals, please bring your epinephrine pen or other medication.

Life-threatening allergies and pre-existing injuries or conditions must be reported to the OTOA training staff on day one of training.

LODGING, TRAVEL & MEALS:

The course cost does not include ammunition, lodging, transportation, and food.

- Attendees are responsible for their ammunition, lodging, transportation, and food.
-

Any tactic, technique, or technology covered at any OTOA advanced training or annual training conference MUST be applied in compliance with the United States Constitution, the Ohio Revised Code, and the rules and regulations of an attendee's employing law enforcement agency.
